Piano Tuning.

I have done as much work the past summer as I wanted to. In fact, I have had to keep my tuning fork on ice to keep it from melting, but it is getting some cooler now, and if any of my old customers want their pianos tuned or any new customers will trust me with their work, I will be glad to do it. I guarantee my work and will give entire satisfaction or money refunded. I have a limited time in Palestine to do this work, and have no time to solicit, so if you want me to do your work just drop me a card or leave orders with W. H. Kingsbury or W. E. Swift and I will give the matter prompt attention.

Yours for good, honest work,
